

Mentorship Program Information

Vision

The Emerging Leaders Program was created to help inspire our local university students as they explore career options.

Who We Need

We need experienced business professionals in all fields, entrepreneurs, and community leaders to serve as mentors for our Emerging Leaders class (Nov '18-May '19).

Mentorship Goals

- Teach students about local employment, encouraging them to remain in the Coachella Valley and become business leaders
- Allow students to interact with the leaders they wish to emulate as the mentors broaden their brand exposure
- Give mentors a chance to meet strong and well-prepared potential candidates for their businesses

General Information

- *Mentorship application deadline: **October 15, 2018***
- Program will take place November—May, following the Emerging Leaders Program dates
- An initial introduction meeting will be held to launch the Mentoring Program
